I

Introductory provisions

- 1.1 The SSO represents that it is a company duly established under Czech law, the core business of which is, primarily, gas storage.
- 1.2 The SSO also represents that it operates a gas storage facility at Dolní Bojanovice (hereinafter referred to as “Storage Facility”) and that it has a valid permission to store gas issued by the Energy Regulatory Office under licence number 251118618.
- 1.3 The Storage Customer represents that it is a company duly established under [●] law, the core business of which is, primarily, [●].
- 1.4 Both the SSO and Storage Customer represent that they are authorised to enter into this Agreement and to accept the rights and obligations hereunder to the full extent.
- 1.5 The Contracting Parties represent that they enter into this Agreement on the basis of the results of the auction on [●], called and organised by the SSO in accordance with the terms and conditions of the Storage System Operator’s Code.
- 1.6 Unless specified otherwise in this Agreement, all the capitalised terms and definitions used herein have the same meaning as the definitions in the Storage System

Operator's Code, which forms an integral part hereof (hereinafter referred to as "the Code") and the content of which is binding on the Contracting Parties.

- 1.7 The Storage Customer represents that it is familiar with the SSO's Code and consents to the provisions thereof.
- 1.8 In the event of amendments to the Code, the wording of the Code effective at the time when the respective performance takes place or ought to take place hereunder shall be relevant for the exercise of the rights and the performance of the obligations of the Contracting Parties hereunder. In the event of a discrepancy between the provisions of the Code and this Agreement the provisions of the Code shall take precedence. The SSO shall notify the Storage Customer of amendments to the Code via electronic mail at the address specified in clause 7.3 hereof, and shall also publish amendments to the Code on its website at www.sppstorage.cz.

II

Subject matter of the Agreement

- 2.1 The subject matter of this Agreement is the SSO's obligation to provide gas storage services to the Storage Customer, i.e., the obligation to accept, store and deliver gas to the Storage Customer under the terms and conditions hereof, and the Storage Customer's obligation to pay the agreed price for storage to the SSO and to perform other duties laid down herein.
- 2.2 The SSO agrees to provide the following storage capacity to the Storage Customer under the terms of this Agreement:
- | | |
|------------------------------------|----------------|
| Maximum Daily Withdrawal Capacity: | kWh/day |
| Maximum Daily Injection Capacity: | kWh/day |
| Operating Volume | m ³ |
- 2.3 Appendix 1 to this Agreement contains the Injection Curve and the Withdrawal Curve, in accordance with which the above storage capacity, which depends on the current level of the natural gas stores in the Storage Facility, shall be adjusted.
- 2.4 The SSO shall provide the Storage Customer with storage capacity hereunder for a period from [●] to [●].

III

Price for gas storage

- 3.1 On the basis of the results of the auction defined in clause 1.5 above, the monthly contract price for the storage of the Storage Customer's gas amounts to CZK [●]/m³ of the Operating Volume.
- 3.2 The Storage Customer acknowledges that the price for gas storage under clause 3.1 above applies to the storage period of [●].

IV

Payment terms

- 4.1 The Contracting Parties agree that the Storage Customer shall pay the SSO the agreed price for storage, including all the taxes and charges required by the

applicable legal regulations, via credit transfer to the SSO's bank account specified in the heading of this Agreement. The Storage Customer shall pay the agreed price against a 'tax document' (invoice) issued by the SSO.

- 4.2 The SSO shall issue the 'tax document' (invoice) for the respective gas month and send it to the Storage Customer at the agreed electronic mail address and also by post no later than by the 14th calendar day of the calendar month following the respective gas month. The price for gas storage so billed shall be payable by the 28th day of the calendar month in which the 'tax document' (invoice) was issued. The day on which the total payable amount is credited to the SSO's bank account shall be regarded as the day on which the Storage Customer met its obligation to pay the agreed price for gas storage to the SSO.
- 4.3 In the event of delay in the meeting of its financial obligations, the debtor shall pay the creditor late charges of 0.02% of the amount owed for each day of delay.
- 4.4 Other provisions on payment obligations are set out in the Code.

V

Procedure for gas not withdrawn

- 5.1 If the Storage Customer's gas is not withdrawn in full under this Agreement, the SSO shall conduct a controlled sale of the remaining stored gas on the organised day-ahead gas market, depending on the available production capacity.
- 5.2 The SSO shall remit to the Storage Customer's bank account specified in the heading of this Agreement, the proceeds from the sale of the remaining stored gas, net of costs reasonably and directly incurred in the sale of this gas, within 15 calendar days of the end of the sale of this remaining stored gas.
- 5.3 By signing this Agreement, the Storage Customer authorises the SSO to sell the remaining gas stored and, following the end of the storage period under clause 2.4 above, or, as the case may be, following the end of effect of this Agreement, not withdrawn. The other terms and conditions of the sale of gas not withdrawn shall be governed by the Gas Market Rules and other applicable legislation.

VI

Confidentiality obligation

- 6.1 The Contracting Parties agree to maintain absolute confidentiality in respect of all facts concerning the agreed price-related and payment terms and conditions hereof, which they have received in relation to the other Contracting Party in connection with the entering into and performance under this Agreement. The Contracting Parties acknowledge that this obligation shall survive this Agreement. In the event of a breach of the confidentiality obligation, the breaching Contracting Party shall compensate the other Contracting Party for the damage so caused.

VII

Final provisions

- 7.1 This Agreement has been entered into for a fixed term from to
